Edited by the 1961 SENIOR CLASS of

GLOUCESTER HIGH SCHOOL

Gloucester, Virginia

Dear Jackie -
How much I've appreciated
your fine cooperation during these
two years - with all good
wishes for a fine future -
Judy Davis

Dedication

Because of her natural charm, sincere helpfulness, and understanding nature, the Senior Class of 1961 dedicates the 1961 CAVALIER to Mrs. Emma Jo Davis.

Jackie,

The years have flown, and now we have come to the doorway to the future. The past years have been very memorable and will last for years to come. It has been a great pleasure knowing you and being in the class with you. You are one of the nicest girls there is to know. Best of luck. May your future progress be the ultimate attainment.

Foreword

Love,
Kidd

We, the CAVALIER staff, realizing how quickly our memories of happy days fade, have attempted to capture a portion of the delightful and joyous times which have occurred throughout the school year.

Someday in the future, a former student of Gloucester High may come across a worn annual; and as he leafs through the pages, a smile of joy may light the eyes and make happy the mind. If this should happen but once, our purpose shall be accomplished - the purpose of filling the heart with joy, the joy of days gone by.

Gloucester High School

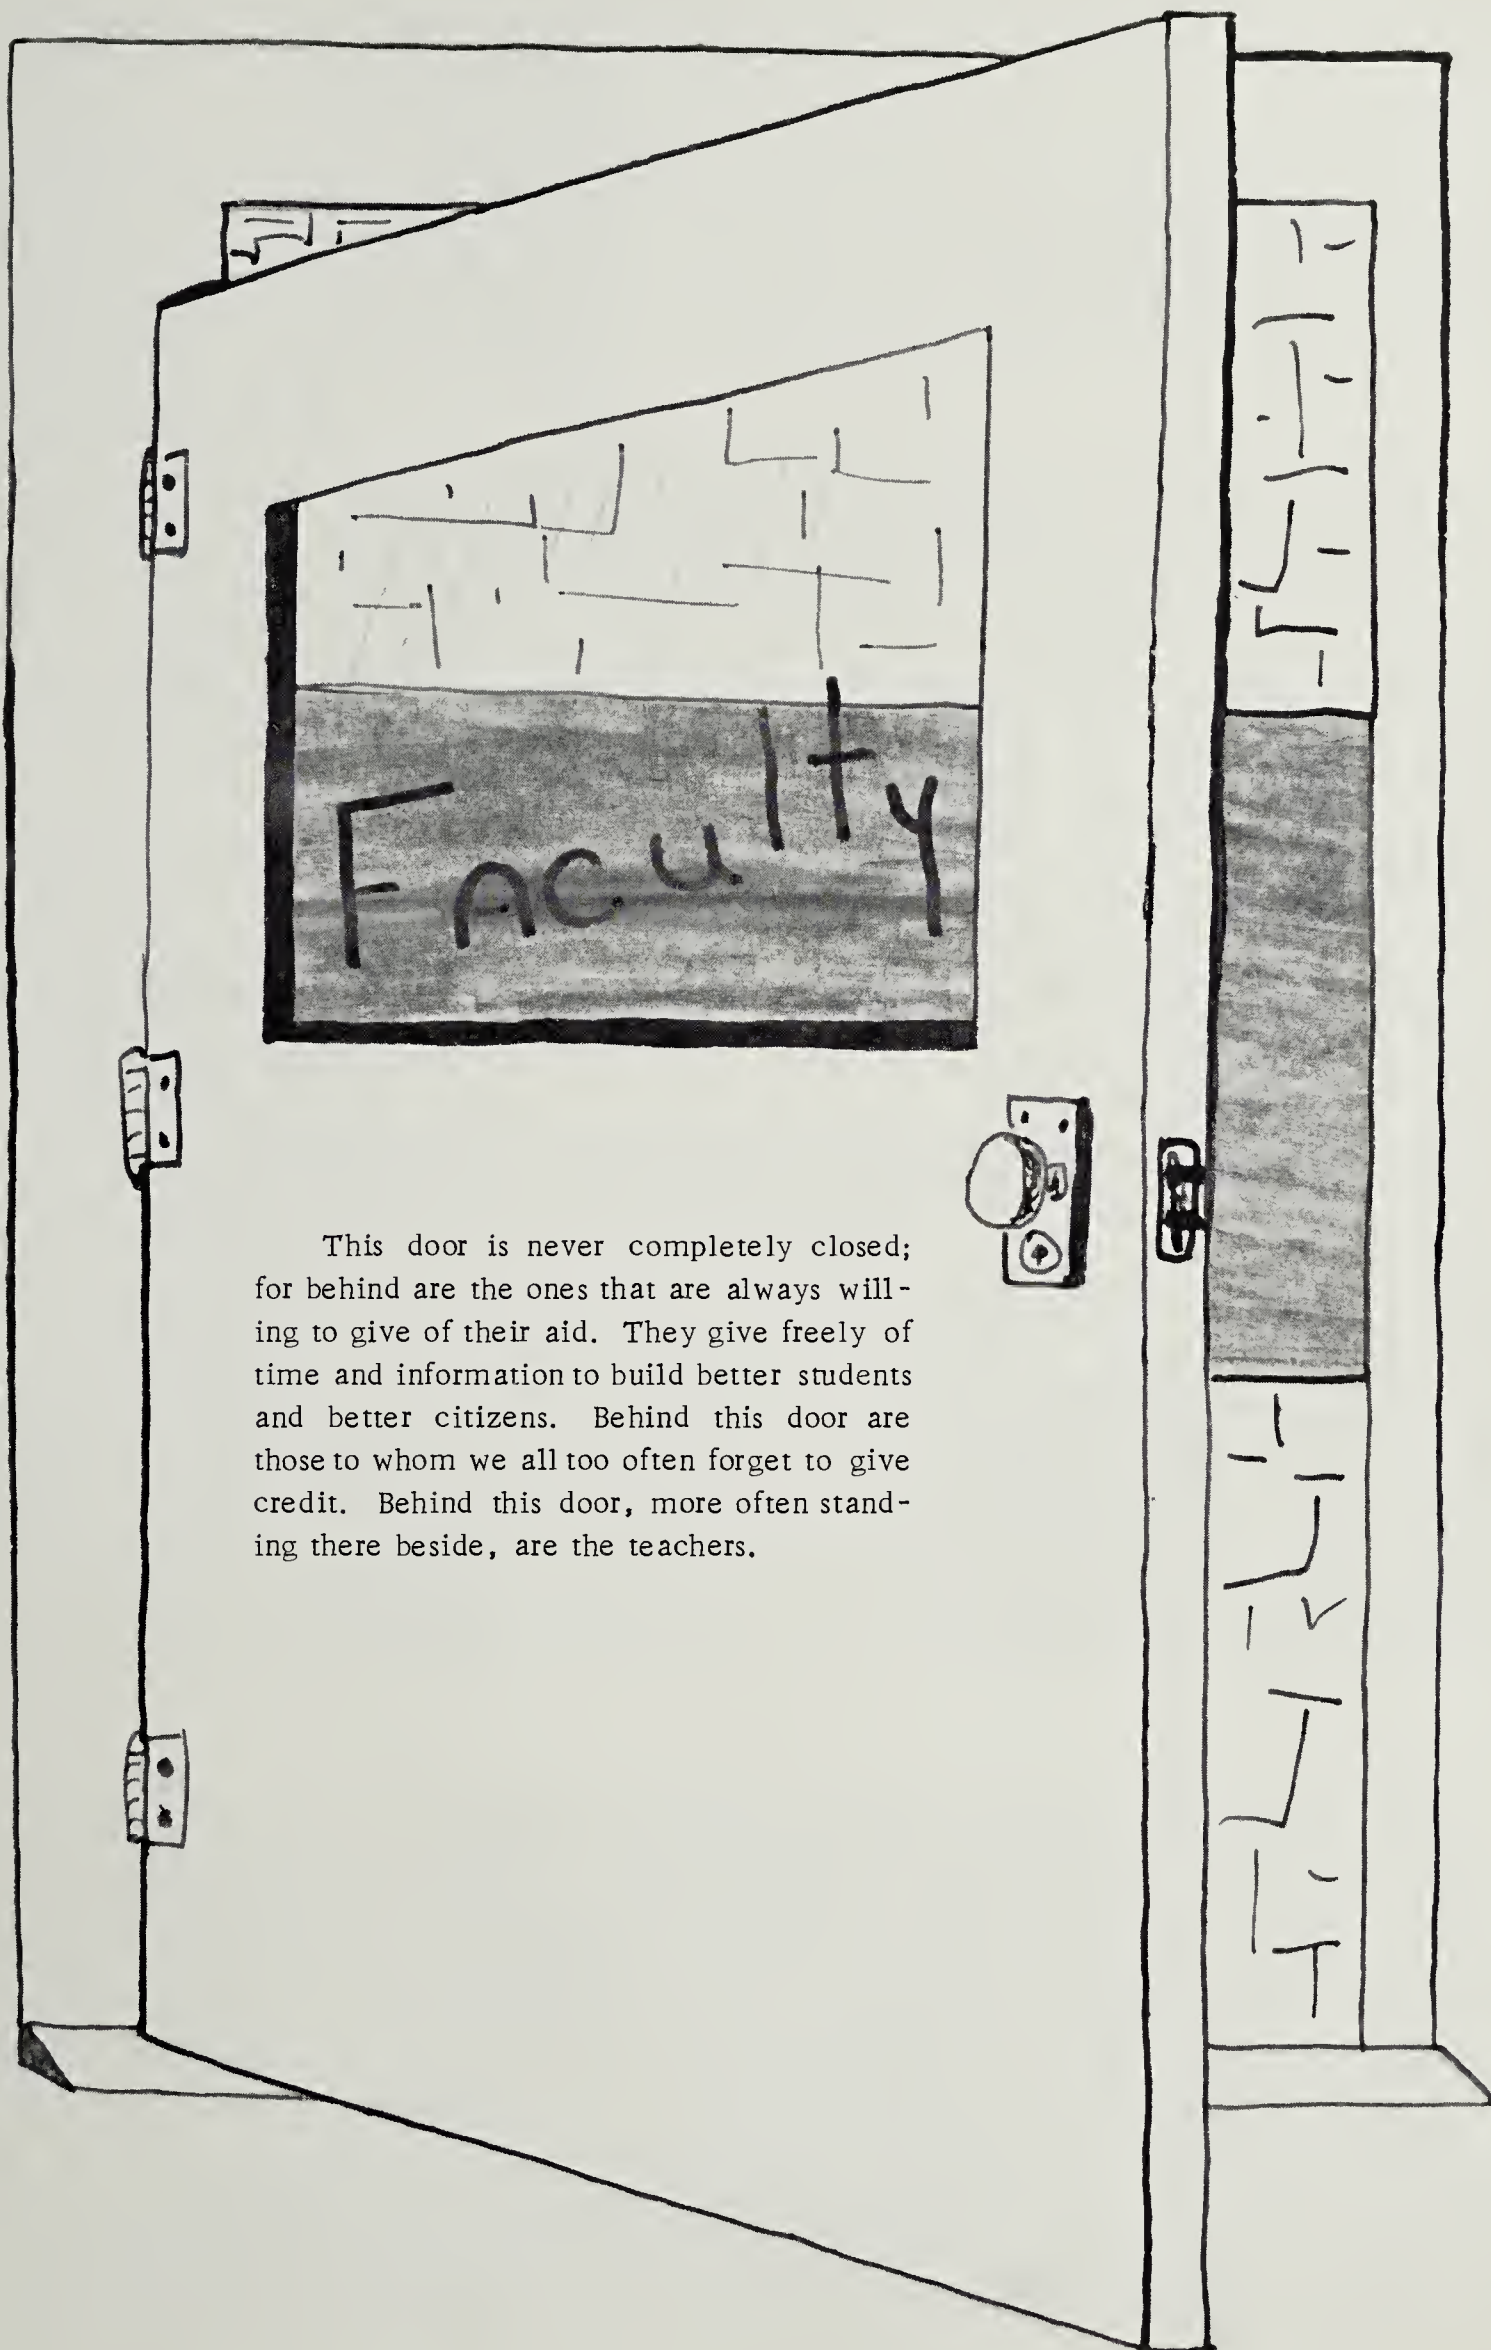

ALMA MATER

We sing our Alma Mater
And praise thy glorious name
We join in mighty chorus
To laud thy halls of fame.

Sing hail to Thee, Sing hail to Thee
Loud let your voices cry
With loyal adoration
For dear Old Gloucester High.

We'll fill our hearts with gladness
And never shall it die.

This door is never completely closed; for behind are the ones that are always willing to give of their aid. They give freely of time and information to build better students and better citizens. Behind this door are those to whom we all too often forget to give credit. Behind this door, more often standing there beside, are the teachers.

Through this door in 1957 passed a group of students who were beginning their quest for knowledge at G.H.S. Happy times and sad times occurred behind this door; and now the door opens once more. As this same group of students departs, this door closes school days forever. Through this door will pass the Senior Class of 1961.

PROM

1960

As we open this door, we hear the soft waltz music of the Prom, the jangling of Coke bottles, the rattling of candy papers; we smell the french-fries, and see the sparkle in Juniors' eyes which outsparkles their new class rings; we feel the excitement in the air as the 8th graders hold their first class meeting and we smile at the frivolous kids one class below. Behind this door are the Gloucester High Seniors of the years to come.

As we venture beyond this door we find students working to bring honor to our school and to bring aid to the individual. Beyond this door lie the extracurricular activities which have broadened many outlooks and have aroused much interest throughout the school, the state, and ultimately the country and the world. What man can say how many great ideas or great deeds originated just beyond this door?

The CROWNING of the QUEEN.

Sports

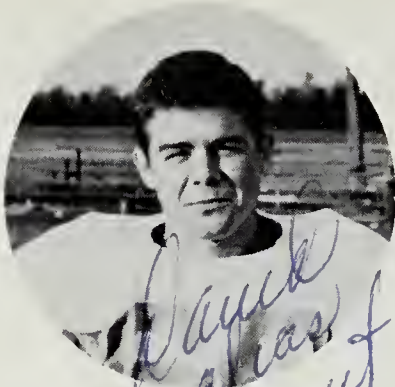

Behind this door ripped the victory shout,
and behind this door swept the defeat sigh.
But through victory and through defeat reigned
an undaunted spirit, but most important a
spirit of fairness, a spirit of justice. Behind
this door, many have earned the principles,
not only of sports, but also of life.

Jackie. Well, the end is in
sight. However I am sure
that I will see you
racing down our lane this
summer. I have really
enjoyed knowing you these

This door is closing-closing on the school year of '60-'61. Behind it will have rung the school girls' laughter and will have echoed the graduation sobs.
